# 2018 SEASON TICKET APPLICATION FORM

## Welcome to Northamptonshire County Cricket Club

This summer is set to be a scorcher! We are delighted to be welcoming Pakistan to Wantage Road for a 4 day warm up game against Northamptonshire on Friday 4th May ahead of their two test match series against England and hope you will join us for the occasion.

In preparation for 2018, we have made two new signings over the winter to further strengthen our playing squad for the forthcoming season. We have secured the services of Brett Hutton from Nottinghamshire on a new three year deal who will add depth to our seam bowling attack. Brett was Nottinghamshire's leading wicket taker in the County Championship this season, taking 37 wickets in 9 appearances. We have also signed Lancashire all-rounder, Luke Procter, on a three year deal who will no doubt bolster the squad and whose arrival will sharpen the competition for starting places.

We are also thrilled to welcome back former Northants skipper, David Sales, who has joined us in a permanent position as the club's new batting coach and know that collectively, the squad will achieve great things in the 2018 season.

Please find a full list of all our Season Tickets on offer enclosed in this pack, for a comparison table outlining the various different benefits, please visit our website at [www.nccc.co.uk](http://www.nccc.co.uk).

We hope you will join us for what is bound to be another fantastic year. I look forward to welcoming you to The County Ground this season.
